

REGISTRATION INFORMATION

DUCK & DUCKLINGS ages 18 mos. - 2½ years (A caregiver attends the program with the child)

Parents or caregivers are invited to join our camp with young children who are not yet ready to attend alone. This special camp offers all the fun of the Nursery program but with the comforting presence of a favourite adult. A full range of activities is offered both indoors and outdoors including music, arts and crafts, French, cooking, science, outdoor playtime, water play, parachute time, special visitors and trips. Younger siblings are welcome if space permits. This program is an excellent preparation for the child who is almost ready for school.
