

## CENTRE STREET APRIL NEWSLETTER

We all hope that you had a wonderful March holiday with your family. It was so nice to hear that some of the children missed us. We missed them too.

The post March Break period has been pretty busy for us. Some of the children, especially the younger ones, had to go through a readjustment period. Now they are doing well and enjoying their friends again.

This past week, we have been discussing Easter. Our children have enjoyed making Easter bunnies, singing songs and coloring eggs. We hope you had a wonderful Easter weekend.

Our theme for the next few weeks is "Spring". The signs of spring are in the air! We will be talking about the planting of seeds, birds and nest building, the life cycles of a butterfly and frog and also some activities that people do in the spring.

Our "Borrow a Book" program is doing well and we hear children are enjoying the story sessions at home. Reading a bedtime story is one of the most fulfilling activities for a parent. It is so wonderful to watch the expressions on a child's face when they connect the reading of the words with the story.

We have listed a few of our exciting upcoming events on the other side of this page. Be sure to mark them all on your calendar. Sure hope to see you!!!
